Jury service

I am writing to thank you for printing my letter and photo in Vol. 11 No.9. It really turned me on to think of all those handsome guys wanking over them. I would like to tell you about when I was called up for jury service.

After about three days the case I was sitting on

couldn't be finished that afternoon, so the jury, which consisted of nine men and three women had to be put up in a hotel for the night. I wasn't all that keen at first, but after second thoughts I thought that maybe it would be OK because a couple of the blokes, Colin and Brian in particular, were quite fanciable.

As I always wear short skirts and stockings, I had already been flashing to them during the beginning of the week without really noticing but they must have been reading my mind when we were told about the hotel because

from the size of the bulges in their pants I could tell they would be ready for action at any time. We checked in at the hotel and then arranged to meet in the bar.

I went to my room and got washed and changed into my most sexy gear and went down to the bar. I met Colin and Brian as arranged and we had a few drinks, and then asked room service to send up some drinks to the room.

As soon as we got into the lift Brian kissed me and **from the bulge I could feel pressing against my stomach I could tell I was going to be in for a good night.** Colin had put his hand up my skirt and was stroking my bum. He was just about to slide a finger up my fanny when we arrived at our floor.

Once inside the room they couldn't keep their hands off me. Before I knew it my clothes had been taken off and I was stood there in my stockings and suspenders and high heels. Brian lifted me up and with my legs wrapped around his waist he entered me, giving me the full extent of his gorgeous cock. He certainly knew how to fuck and gave me a beautiful orgasm. After he had cum I laid down on the bed and Colin put his cock in my fanny and Brian put his in my mouth and I was being fucked at both ends and loving every minute of it. They both came at the same time, showering me with that lovely white stuff.

Whilst they were recovering I played with myself using my vibrator which I always carry around with me as you never know when the urge will get to you. This soon had them had again and we were back down to business. We fucked well into the night and all three

of us collapsed exhausted at about four in the morning.

The next day in court we got a few funny looks because of the dark rings under our eyes, but it was well worth it.

I am enclosing some more photos in the hope that I shall be lucky again!

My very sexy wife, Sonia who works for a bank is coming up to her 40th birthday. Please, please make it a 'naughty forty'. She really doesn't believe

read it, he said that I didn't stand much chance of making it into your magazine. I think he is wrong, and by sending these photos to you, it is my chance to prove him wrong and I know he would

Please make this landmark in her life something to remember.

Julia

Here's a picture of my 19-year-old girlfriend Julia, which were taken by my mate, Ian, with whom we had our first threesome about six months ago.

It all started when I went for an afternoon drink with Ian. After a few pints I got the conversation round to sex. Then I told him I had some naked photos of Julia in the car with me. We had a couple more drinks and then I gave him a lift home.

When we got in the car I handed him the photos from the glove box. They were in order of rudeness and I started to get a hard-on as he went from naughty underwear shots, through bare breasts and on to photos of Julia completely naked with her legs wide open. I think he had to pinch himself, especially when I told him that I wanted him to

photograph and fuck Julia. We then arranged a date for the following week.

We met at Ian's place and went straight to the pub for a drink to loosen up a bit. When Julia went to the loo I told Ian that she couldn't wait to have sex with him and would do anything he wanted, and also that she had been naked in men's mags before, which seemed to turn him on.

When we got back to his place, Julia stripped to her underwear and we both took a few photos of her. Then we went to the bedroom where Julia and Ian kissed and removed each other's clothes. Ian went down between Julia's legs and licked her very wet cunt. I took a few Polaroids before undressing and putting my hard cock in her mouth. After a while we swapped positions and I nearly came as I saw Julia sucking my mate's cock.

After a lot more sucking I took a rest (and some more Polaroids), as I watched Ian mount my girlfriend and fuck her. It was such a turn-on, I was aching to have a wank.

Ian then pulled his cock out of her and spunked over her. Julia was loving it and rubbed the cum over her body.

Then it was my turn and it felt wonderful screwing my girlfriend after my mate and I didn't last long.

We took it in turns with her until well into the morning and then gave Ian a couple of nude photos before we left.

I hope you like Julia's body, I know Ian did! S., South London

Balcony scene

This is my lovely wife, Debbie. She appeared last as 'Debbie of Cheshire' in Vol.6 No.9.

Your readers my wish to hear of our recent holiday in Portugal. My wife finally agreed to fulfil my long-awaited and much-requested fantasy.

She had noticed an Italian-looking waiter giving her the eye and picked him up quite easily on his night off. She took him back to our apartment whilst I followed closely behind. I could see their hands all over each other as they strolled back.

When they went in I quickly went around the back and found my video camera which I had hidden. I climbed onto the balcony and almost fell off when I saw the action.

Debbie was on her knees, wearing only the red knickers, stockings and suspenders in the photos, with the guy standing in front of her in just his Y-fronts. His bulging cock was very visible beneath, and my wife was having a good feel of his bum as she dragged them down.

She took hold of his very thick knob, stuck out her tongue and placed the glistening purple end of his tool on it. At that precise moment, she glanced up at me, video in hand, recording it all!

She gave the guy the best blow-job of his life

and calmly slipped off her panties. Assuming the position in the photo with two pillows, the guy rubbed the tip of his cock up and down her cunt lips, pressing on to her clitty until she was begging for it, and then slid the whole length of his cock right in.

I could see his big hairy

brown balls hitting her bum, and her juices running down the inside of her thighs. She says that she came at least three times, and him twice.

After he went we re-enacted the whole thing – fantastic! She was absolutely sopping wet and smelled of his spunk! L., Lancs.

My husband Dave sent in a group of photos of me some time ago, for the D.I.Y spot, but we are very disappointed that they haven't been printed.

I'm sending you a few photos of my girlfriend, Lin. She is 24 years old, and measures 36-26-38. We've been reading the magazine for quite a few years now, looking at

home to take some photos, as you can see! We finished taking photos as it all became too much for me and I had to have my cock sucked

We quickly drove home, though having a quick touch to keep her moist and continued our antics in the bathroom and then on the settee. A great way to end a day!

This is my way of saying thanks to Lin for a fantastic night. Let's do it again soon, please! P., Ashford

models, wives and girlfriends, and reading about what they get up to, so I only think it fair of me to let them see my girlfriend's body too

The photos were taken after a night out in a local pub, with Lin flashing off her big tits through a black bodice under her open jacket, an eyeful for all around! We stopped in a nearby field on the way

You will be pleased to know that your publication fee was put to good use. Cathy was over the moon when the pictures were published and she hoped that it caused a lot of cocks to be pulled.

With the fee you sent us we booked a holiday cottage in Cornwall.

The place we went to was an old semi-cottage overlooking a harbour, very isolated with the adjacent cottage empty. It was ideal for nude sunbathing and for two days we had no-

one to disturb us. On the Tuesday we were both soaking up the sun when we were suddenly disturbed by voices and round the corner came two young men, Pete and Richard. We both dived for our clothes as they stood and watched us.

It turned out that they had hired the other semi and were to be our new neighbours. We all

introduced ourselves and after much nudging and winking they left us after we agreed to meet them that night in the village for a drink. I couldn't help but notice that after the first shock, Cathy didn't make to great an effort to cover herself up. When I mentioned this to her, she laughed and said she wasn't concerned and asked if I thought she'd made an impression.

That night, true to form, she had all her special undies on - open-top bra, open-crutch panties, suspender belt and sheer black stockings. Married and 44 years old, but with the chance of two young lads, she was acting like a 20 year old. **Sure enough in the bar, she was leading them on and we all knew what we were in for.**

Richard was first in and said that they couldn't help seeing her body that day and hadn't she ever thought about modelling nude. To which Cathy replied that she had appeared in *Escort* that year. Neither of them believed her but I said to them that if they came back for a late drink I would show them the relevant copy. (I always have it in the car as I too like a quick wank over her photos)

When I showed them the magazine the crafty sods said that the photos were very good, but was it really her! Cathy entered into the spirit of things, slid off her dress and asked them if they thought it was right. She stood there in just her undies and their eyes were on stalks.

The drinks were still flowing, and by now Cathy was sitting on Pete's lap and Richard had his flies open playing with his cock. Cathy was playfully swinging her tits in Pete's mouth and he was trying to suck on a nipple as he attempted to remove his jeans with help from Cathy.

As Cathy moved down from his lap to take his cock into her mouth, Richard, who by then had a throbbing erection, moved across to take her on all fours from behind. He entered her in one swift

It may come as a surprise to some that prostitution is not illegal in the Naughty Nineties of enlightened Britain. Nor, strictly speaking, is it illegal to be as pissed as a fart on a Friday night. However, should you be as pissed as a fart on a Friday night behind the wheel of a motor vehicle, or your condition leads you to think it would be a good idea to bare your bum at a passing policeman, or even if you empty your bursting bladder in the wrong place, you are doing something which can bring the full majesty of the law down upon your befuddled head. Likewise prostitution.

Any person can exercise their democratic right to walk up and down the street as often as they like, but the moment they say 'it'll cost you fifty quid' to the wrong person she's in trouble. Far be it from us to suggest that it would be a bloody sight safer and healthier for all concerned if the Oldest Profession was officially sanctioned, regulated, and available to both sexes; instead, we'll ask Dawn, who is twenty six and a part-timer, how she started...

'Completely by accident,' she laughs. 'Serves me right for going to a fancy dress party as a lady of ill repute, I suppose! Yes, really. My regular job doesn't pay very well, and with Christmas a few days off, I was even shorter of cash than usual. It was the cheapest thing I could think

of because I already had most of the gear, and it's amazing what you can do with clothes that are quite respectable. There's nothing particularly sexy about a striped top like a tee shirt until you put it over an uplift bra that barely contains your nipples, for instance. The skirt was a bit tight around my bottom, but it covered my knees with the buttons fastened. On the other hand, it could be unbuttoned right up the front, all the way to my waist. Not that it was going that far – just enough to flash a stockingtop and an inch or so of thigh. Stilettos were a must, and I had a pair like stilts. I was going to wear ordinary stockings, but they didn't look right, so I lashed out on a pair of fishnets. Some lurid lipstick and a beret I found in a drawer, and I looked just like one of those Parisian streetwalkers you see in old films. I don't suppose they ever dressed like that, but it's the thought that counts, isn't it?

'For once, there weren't any spoilsports in ordinary clothes, and it was a great party. The only drawback was that all the best men were with their wives or girlfriends, which was a shame because that get-up made me feel horny. I gave Dracula an erection when he danced with me, and the guy in blue with a big 'S' on his chest had to hide the bulge in his tights under his cape after he roped me in for a

cheek-to-cheek. Santa Claus was spoken for too, and so was the caveman who was wearing a leotard that his wife had knocked up out of an old fake fur coat. Moira had used the offcuts for her own outfit, which made us joint equals as dancing partners because she had a terrific figure and she was showing a great deal of it. Basically it was a bikini, but the bottom half wasn't much more than a G-string under the flaps of fur she'd sewn to it and she was flashing most of her backside as she wiggled around – I suppose she could afford to be more daring than the rest of us because it was her party and she didn't have to go home afterwards. From the male spectators' point of view she had the edge on me, and I got a certain amount of bitchy satisfaction out of giving her husband a hard-on.

'Ken and I were dancing very close and pretending his cock wasn't pressing against my stomach when he made a joke about putting a bit of work my way. I laughed and told him it would cost him a hundred quid, and he said I was under-pricing myself. Okay, I shrug, make it two hundred. It's a deal, he grins.

'I still thought he was kidding, and I asked him how Moira would feel about it. He told me not to worry about Moira, and a few minutes later I'm locked in the loo, counting the money he's slipped me and wondering if he should have been the one in the Santa Claus outfit. That was an awful lot of dosh, bearing in mind I quite fancied him anyway and would have screwed him for nothing! The only thing that bothered me was Moira, but the way she was swivelling her hips and jiggling her goodies at Count Dracula, I suspected she'd made some arrangements of her own. The party was over and the last guests were leaving when I began to

**Her legs parted a little

suspect I'd been conned.

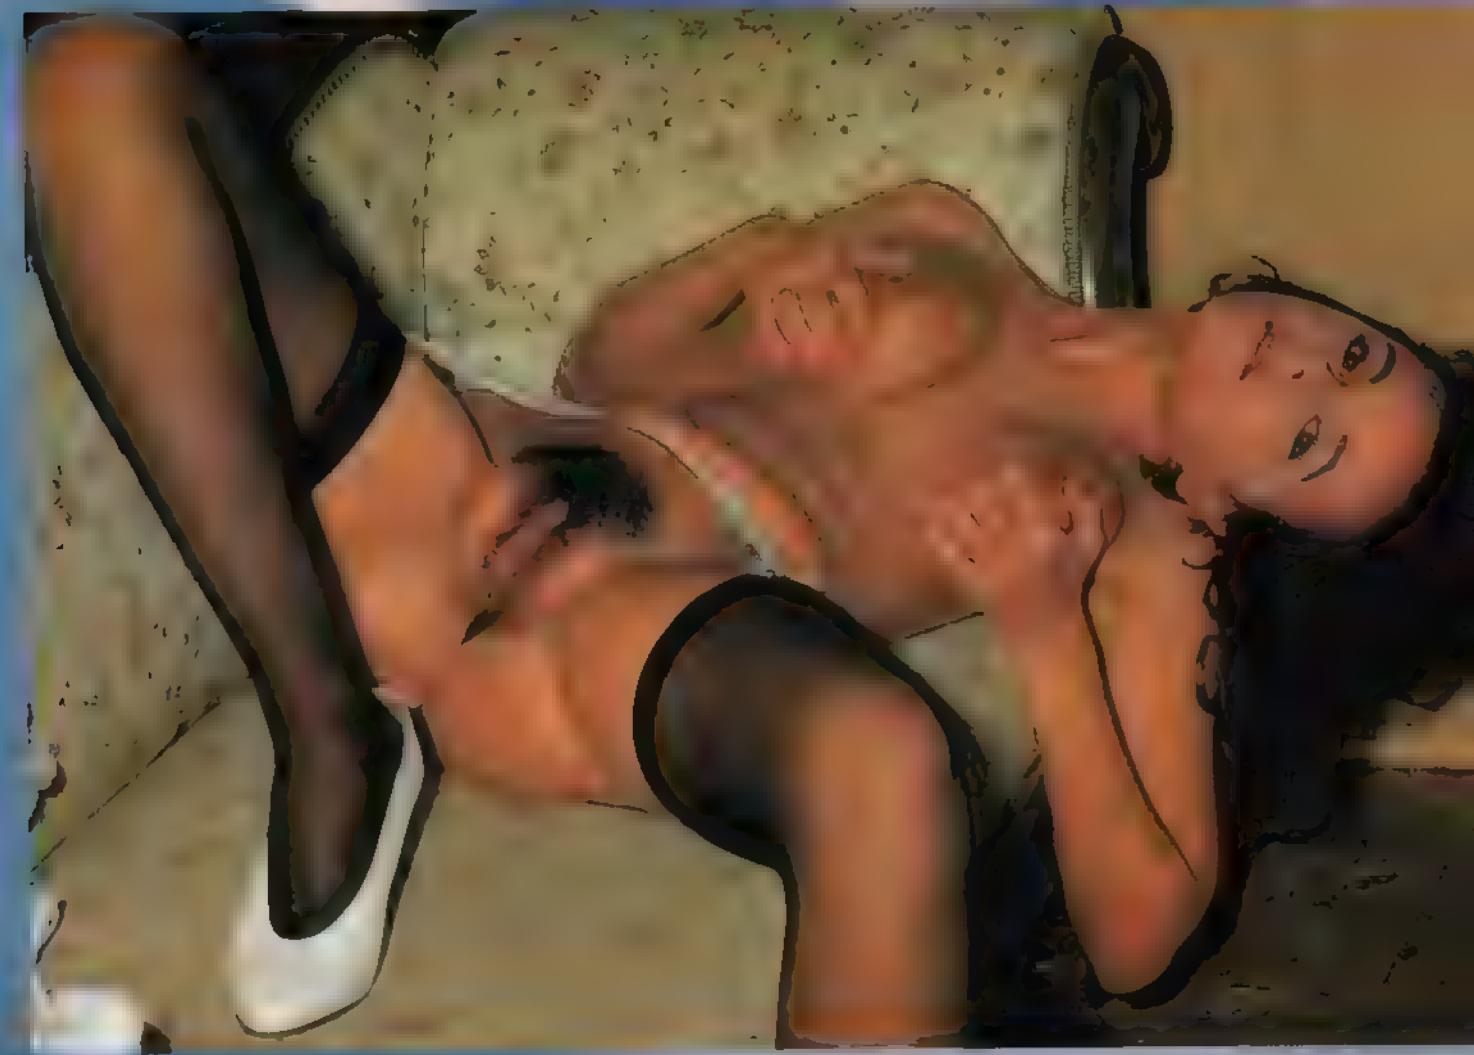

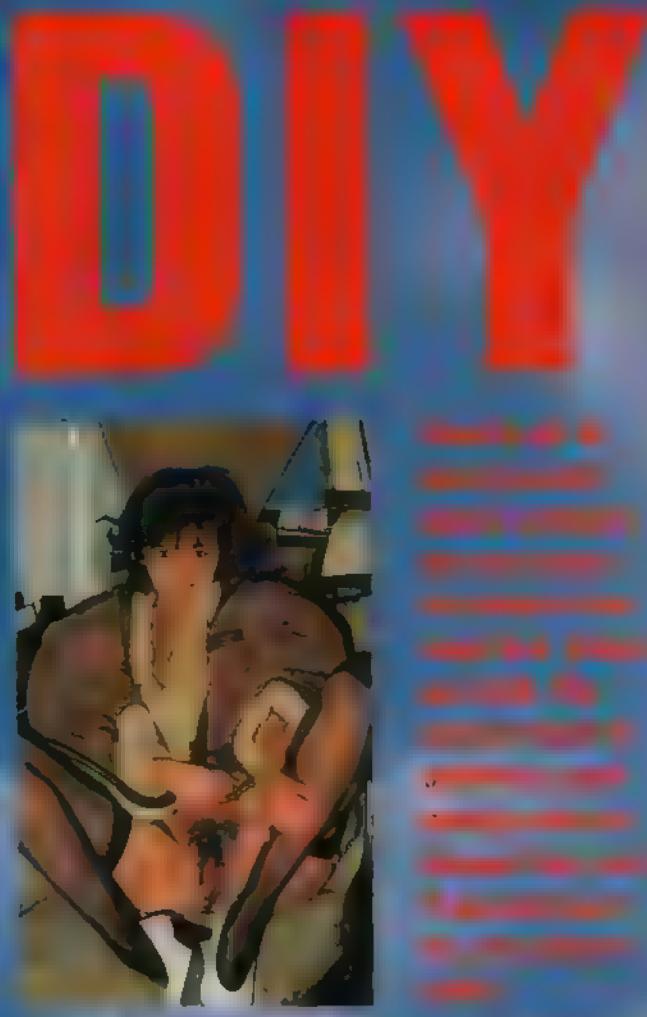

'Dracula went with them, and I was left sitting on my own while Moira and Ken saw them all to the door. Moira came back first and sat down with me to finish her drink, and when her husband appeared a few minutes later he was minus his caveman outfit and wearing a pair of slacks because the fur had been making him itch. Now we can have a real party, he says, dragging us both to our feet for a three-cornered dance with our arms around each other's waists. We were all a bit pissed, and the penny didn't finally drop until he shoved my hand down to Moira's bottom and moved hers onto mine. Since she wasn't wearing a skirt, I actually had my hand on a bare cheek, and I was so surprised that I didn't snatch it away. Moira blushed and stared at me, and I blushed and stared back. No wonder he'd been so generous – he wasn't looking for a straightforward bonk, he was after a threesome! It was obvious from the way she was trembling that she'd never done anything like that before, which made two of us. That's when I made the decision that sent me down the slippery slope. In my head, I'd already spent the money, and I was damned if I was going to give it back. I told myself I was only going through with it because she would have been terribly hurt if she knew her husband was paying me, and then I gave her bottom a little stroke.

'She gave me a squeeze in return, and something very peculiar happened. I could see it in her eyes, and I was sure she could see it in mine. It was that thrill of anticipation you get when you know you're about to experience something completely new. Forbidden fruit never tastes quite so sweet the second time round, does it?

'When we talked about it later, I discovered that great minds had been thinking exactly alike. Neither of us would have dreamt of doing it of our own accord – we'd been manipulated into it by Ken. She was only doing it to please her husband, and I was only doing it because I had two hundred pounds in my purse. That was our story, and we were sticking to it!

Chloe... sisall is only 19 years old, so her 34-23-35 measurements aren't surprising: "...more of a thorough woman for me," says Gavin, her boyfriend and colleague. "She likes to touch me up under the table when we're out having dinner, she can unzip my trousers with her toes, and sometimes when I'm in my office on the phone to a big client, she'll come in and start stripping..."

In those heels I was tall enough for him to slip it up me from behind

cups, we resisted when he tried to make us kiss each other. He growled in irritation, and I remembered that he'd paid the piper and had every right to call the tune – Moira could play the reluctant wife and adopt a passive role, but I was under an obligation. I took a deep breath and kissed her full on the lips, and she opened her mouth to accommodate my tongue. Encouraged by Ken, we were embracing passionately in no time at all, and he moved round behind me and began to undress me. My breasts spilled free of my bra and he hefted them in his hands, feeling their weight and brushing my nipples against the fake fur sewn to Moira's bikini top. I shuddered from head to toe, and I surprised myself as much as Moira by putting my hand between her thighs. She gasped and stiffened, then her legs parted a little and I cupped her pubic mound in my palm through her pants. It was all soft and warm, with tiny bristles on the puffy little bulges at the edges where she'd shaved off the surplus, and I remember thinking how little material it took to cover a pussy!

'Meanwhile, Ken had changed tack and was hauling my skirt up, and it wasn't until it was around my waist and I felt his knob prodding my bottom that I realised he was completely naked. My knickers hissed down my fishnets, and I stepped out of them. In those heels, I was quite tall enough for him to slip it up me from behind, and it looked very much as if he intended to do exactly that. Judging by Moira's frown, she wasn't too happy about it: he'd hardly touched her, and she was still in her fur-trimmed bikini. I gave him a nudge in the ribs with my elbow and mumbled something about him undressing her while I got my skirt out of the way, and he took the hint. When she was naked too, he pushed us together again, and we wriggled against each other while he squeezed our breasts and somehow managed to get two nipples in his mouth at the same time.

'Moira's head bent forward a little, and she squealed and pulled back. He was obviously trying to get her to do a bit of sucking too, and she wasn't having it. I let her off the hook by bending down and going to work on hers, and she didn't seem to have any objections to that. I wouldn't have

had any objection to having both my nipples sucked either, and I had high hopes that it was going to happen. A pattern was beginning to emerge, and I tested the theory by wrapping my hand around Ken's cock. I rubbed his knob against her leg to let her know I had it in my hand, and down came hers to join it. Basically, she would do anything I did, provided I did it first! I straightened up and gently pulled her face towards my breast, and she put up no resistance at all. Ken grinned in delight and joined her, and I shivered in ecstasy as two tongues flicked at my rubbery points. I could have stood any amount of that, but Ken had other ideas. He decided it was time we touched each other's pussies.

'He straightened up, and she copied him, squashing a slippery breast against one of mine and leaning against me while she waited for the next move. Naturally, Ken did the wrong thing and put her hand down to me instead of the other way around. Her long nails tickled my thighs where they swelled out of my stockings, then they fluttered upwards. I've got a thick, healthy bush that I hadn't trimmed like her to accommodate a brief bikini, so she touched hair even though she was already pulling her hand away. She gulped and looked worried, and I came to her rescue again by going for hers. Her eyes snapped shut and she buried her face against my neck as I slid my hand down her stomach, and it was my turn for a surprise. I was steeling myself for my first feel of someone else's slot, so I wasn't in too much of a rush to get there. It was a bit of a shock to encounter the soft, moist flesh of her labia, and it took a few moments for it to register that Moira hadn't just shaved around the bikini lines. I was fingering a completely naked pussy!

'I hadn't intended to go quite so far

that quickly, but it seemed to happen of its own accord as I groped around – I curled a couple of fingers under her, and they went straight between her gaping lips and up her to the knuckles. She gasped and flinched, and I apologised for being rough. Ken wondered why I was saying sorry and had a look. "Fucking hell," he says when he finds out why his wife has started swivelling her pelvis. "Aren't you going to do it to her too?" A nervous hand slipped down to the top of my fishnets and began to crawl slowly upwards, and I was about to part my legs a little further when I felt two more hands helping them on their way from behind. I looked over my shoulder, and there was Ken on his hands and knees, making sure Moira had plenty of room for manoeuvre and that he had a good view of the action! One of those long fingernails probed carefully among my curls and gently inserted itself in the gap it found, then it slithered up me.

'She was resting her head on my shoulder, and I could feel her hot breath on my neck. I nibbled her ear and blew into it, and she sighed and jiggled her breasts against mine. We were in a world of our own, and even Ken seemed reluctant to intrude on it. I found out why when I raised a heavy eyelid and peered sideways. It wasn't that he didn't want to spoil the magic, only that he was on his feet again and thoroughly enjoying the spectacle from every angle imaginable.

"Let's get on the floor," Moira whispered, and we sank to our knees with our fingers still up each other. Another minute and we'd have been stretched out on the carpet, but we'd obviously given Ken some inspiration because he stopped wanking and shoved his cock into Moira's face. She opened her mouth and started sucking him off, and I gilded the lily by licking his shaft and tickling his balls.

'I thought he was there for the duration, but he suddenly decided he wanted to fuck Moira the old-fashioned way and dragged her to her feet. She went up on her toes as he rammed himself into her from behind, and I suddenly realised what a vulnerable position I was in down there on my knees. It was ten to one he'd be telling me any second now to lick her clitoris while he fucked her, and it wasn't something I wanted to do on the spur of the moment. I

When she was naked, he pushed us together, and he squeezed our breasts

quickly stood up, and Moira leaned gratefully on me. She wasn't quite tall enough for that position, and he quickly slipped out of her because she couldn't stay on tiptoe forever. Up she went again, and so did he. This time she had a little help from a friend, and while she wrapped her arms around my neck, I put a hand down to keep him in. It wasn't as easy as it sounds – that was a very slippery pussy, and consequently, a very slippery cock sliding in and out of it. I cupped her crotch in my hand and put two fingers on either side of his shaft so that it fitted into a sort of vee. By pushing against it, I could keep it at the best angle, and Ken got a bonus because there was a bit more friction than there might have been. Moira didn't complain, either. I wasn't deliberately rubbing her, but she was getting a sort of accidental massage from my palm.

'She was rolling her eyes and biting her lip, and I'm sure she would have come if he'd kept going a little longer. But he was almost there himself, and Ken wanted his money's worth. Moira groaned in dismay as his knob slithered between my fingers, and she stared at me in disbelief when she realised he'd pulled out quite deliberately this time because he wanted to shoot his lot up me instead of her. I didn't have to go up on my toes in those shoes, but I still had to lean forward to get the angle right. Despite the fact that she was clearly furious, Moira supported me as he slapped against my bottom, but I doubted whether she'd have made it anyway. His rhythm had already gone to pot, and he was closer to it than I thought. I actually counted the thrusts, and on the stroke of twelve he twitched inside me and pulled back for a last almighty shove. He should have known thirteen was an unlucky number!

'He pulled back too far, and out it came. I instinctively snapped my legs together in an effort to keep it in place, but all I succeeded in doing was clamping it between them. I looked down, and so did Moira. There was a big purple knob protruding from between my thighs, and even as we stared at it a sticky white blob spurted out and landed on the floor. Whether she did it for the sake of the carpet or for her husband's benefit I'll never know, but Moira quickly sank to her knees. I relaxed my scissors-grip on his jerking shaft as she grabbed it, and Ken finished coming in his wife's mouth while he squeezed my breasts for a final thrill. She released him, and he staggered back and slumped into an armchair while she climbed to her feet. She wasn't fooling me for a moment when she leaned forward as if to give me an innocent little kiss.

'I called her bluff and let her kiss me, but I pulled away before she could transfer all of it to my mouth

and left her with some of it in hers. Then I gave her a sweet little smile and made a big point of swallowing. As I suspected, she couldn't do it. Some women can't – it just sticks in their throats and won't go any further. She pulled a face and made a dash for her handbag, and I watched her as she tactfully turned her back on her husband and spat into a tissue. She needn't have bothered to turn away from him, because Ken was a gentleman of the old school, and he'd already lost interest. In fact, while she mopped up the blob on the carpet with another tissue, he snored. We looked at him, then at each other, and the same thing went through our minds. She asked me quite loudly if I wanted a shower before I went home, and the only reaction from Ken was another contented snuffle. I kicked my shoes off, and she disappeared up the stairs while I disposed of my stockings, then I crept up after her.

'She'd left the bedroom door open so I'd know where she was, and I crept in and closed it behind me. She was tucked up in bed waiting for me, and I slid under the duvet beside her

slightest bit butch, and I didn't like the idea that Moira might have thought I was we'd both got carried away in the heat of the moment, and it just happened. She relaxed her grip on me, and I rolled off her and lay on my back, wondering whether it would be better all round if we called it a day. She was still willing to give it a try, though. I felt soft lips on my breast, and I closed my eyes and gave myself up to a different set of sensations as she kissed and caressed me and gradually worked lower down my body. She reached my navel and tickled it with her tongue, then she went a little lower, and I stiffened. "I'm sorry," she panted, her head emerging from under the duvet. "I just can't do it." All right, I thought, let's see if I can.

'I pushed her onto her back and went the same route, starting at her breasts and working my way down. I passed her navel and went into unknown territory, and she grabbed my hair as I reached her pubic mound. She wasn't trying to stop me, but I stopped anyway, because I couldn't do it either! She said she

I felt her soft, moist labia... I was fingering a completely naked pussy

and felt for a breast. Its point immediately started to harden against my palm, and she put her hand on one of mine, with the same result. I leaned forward to kiss her on the mouth, but something made me change my mind at the last moment, and I ducked my head to give her rubbery nipple a quick peck instead. She sighed and put her arms around me, and we rolled towards each other, squirming and writhing together. Somehow I managed to end up on top of her, and she did what comes naturally to a woman in that situation and parted her legs. I was lying between them in a perfect missionary position, and we'd actually started humping at each other. My thick bush was against her bare pussy, and when she shuddered and heaved against me, I'd reacted by heaving back. This went on for a couple of minutes, with her getting a damned sight more out of it than I was – although she was the one who realised what we were doing and stopped in mid-thrust.

'We were behaving like a man and a woman instead of two women, and it shook me when she pointed it out in a tremulous voice. I'm not in the

was sorry, but she really did need to bring herself off and if I was offended, tough luck. I wasn't offended in the slightest – in fact, it seemed like a good idea to me, and I joined her.

'So there we were, legs spread and only our knees touching, frantically wanking ourselves. She came first, and she held my hand until I got there too. When we recovered, we lay there and talked, and she asked me how much Ken had given me. Apparently he'd been trying to get her into a threesome for ages, and he'd mentioned paying someone when no likely candidates turned up. The upshot was that I gave her half the money, and Ken doesn't have the faintest idea that I'm not the only one getting paid for it when he phones me every few weeks and I pop round for a bit of what he fancies! They're having another fancy dress party this year, but I won't be going. Something else Ken doesn't know is that when he opened his big mouth to a friend of his about what happened, the friend gave me a call. Then another one did too, and...well, I've only got five regular clients, but it wouldn't do to bump into them all at a Christmas party, would it? ●

THIS WAY UP

Christmas was coming, and so was Paul – or he would be, very shortly. It was another black mark against him, although I'd forgive Stephanie because that's the kind of guy I am. It wasn't a good idea for a management trainee to spend part of her lunch hour in a secluded corner of the warehouse with her tits out and another management trainee playing with them while she wanked him off, but it was probably an isolated incident. That aside, it was time I had a word in her ear about about the tight jumpers and miniskirts. There wasn't much she could do about the tight jumpers, on second thoughts, because any jumper would be tight on her. But mini-skirts were a bit unseasonal, even if nobody had complained. Paul shouldn't have been there at all. The two trainees were spending a couple of weeks in each department, and he'd already had his fortnight in mine. It was Stephanie's turn to learn a few things from me, and he was supposed to be somewhere else.

"Am I doing it right?" she enquired, nervously checking over her shoulder and failing to see me because I ducked behind a packing case.

In terms of the basics, she was doing it right; her hand was wrapped around Paul's straining cock, and it was going up and down. But her technique left a certain amount to be desired. She'd slowed down to ask a silly question just when it should have been obvious that a little more energy might be in order. Instead of replying, Paul grabbed her wrist and humped at her hand. "Oh no," she squealed. A white blob spat between her fingers, and she snatched her hand away, leaving him to shoot the rest of it into his own. I gave her time to put her tits back into her bra and yank her jumper down, then I whistled a happy tune and strolled in their direction. Paul was nowhere to be seen when I got there, but he hadn't caught his foreskin in his zip as he dived for cover or I'd have heard him scream. Hopefully he hadn't had time to wipe himself and would spend the rest of the afternoon in sticky underpants.

"Hello, Stephanie," I smiled. "Doing a bit of stock-checking in your lunch hour, eh? I know you're keen, but that's overdoing it a bit!" Phew. I nearly asked her if she was cock-checking. Seems like a good time for us to have a little chat."

"I'll...just wash my hands," she stammered. "They're a bit dusty."

"Fine," I beamed. "I'll be in my office."

While I waited for her, I moved the lowest chair into a strategic position in front of my desk, but when she sat on it my attention was diverted by the wallowing of her tits and I nearly missed the flash of her panties as she crossed her long legs. Shame about the tights, but she couldn't wear anything else with those skirts. Talking of which, it's a terrible thing for a man to have to do. Deprive everybody of the simple pleasure of leering at the best pair of legs in the firm, I mean. But those skirts were far too short, and the forklift driver had already driven into a wall as Stephanie wiggled past him. Anyway, the legs would still be there, but there wouldn't be quite as much of them on show if she took my advice.

It wasn't a good idea for a management trainee to spend her lunch-hour with her tits out while another trainee played with

hem

"Oh," she blushed when I tactfully raised the subject, tugging at her hem in an effort to lower it. "I didn't realise... You're quite right, of course. If I'm going into management, I should be a little more sophisticated, shouldn't I?"

"Yes," I said. "Just don't tell anybody it was my suggestion. They'll probably lynch me!"

"What a piece of work is a man," she muttered. "How noble in reason, how infinite in faculty. In action, how like an angel! In apprehension, how like a god!"

"Pardon?" I gaped as she unwound her legs with a swish and stood up to leave. "Shakespeare," she said over her shoulder. For one fleeting moment I thought she was taking the piss, but she couldn't be. Not sweet, innocent Stephanie, who didn't even know how to wank someone off properly.

The next day we were up to our eyes in it getting stuff out to the shops for the Christmas rush, and I was treated to some dirty looks from the drivers who suspected me of having

something to do with Stephanie's kneelength skirt. I was dealing with a pile of paperwork after everybody else had gone home when she breezed into my office with a cup of coffee for me.

"I hope you're not trying to bribe me into writing a good report on you," I told her as she made herself comfortable in the low chair and crossed her legs. No, I must have been seeing things. Wishful thinking, that's what it was.

"I wouldn't know how to," she said. "Pity," I sighed. "Congratulations on the skirt, by the way. Just right."

"Glad you think so. The suspender belt was a bit uncomfortable at first, but I'm getting used to it. Putting the clips in the right place so you don't get your stockings in a twist takes a bit of practice, though."

"Does it?" I gurgled.

"It certainly does. I don't seem to be able to get this one right at all..."

Up went her skirt, and up went her knee as she moved the clip slightly and adjusted her stockingtop. I've always liked white suspenders with black stockings – they give you the impression they're not just for special occasions. Apparently, Stephanie didn't only wear black panties for special occasions either. I could just see a tiny slice of them where the curve of her thigh subtly changed direction before disappearing into the shadows around her rump.

"I'm sorry," she said, flicking her skirt back into place. "I'm not very good at this sort of thing." She could have fooled me. "I thought I might kill two birds with one stone – get you to write a good report on me and..."

"And?" I prompted.

"I spent all my time at college studying, and I know very little about sex. You've been nice to me, and I thought you might...how can I put it...give me a few pointers?"

I was giving her one pointer already, if she did but know it.

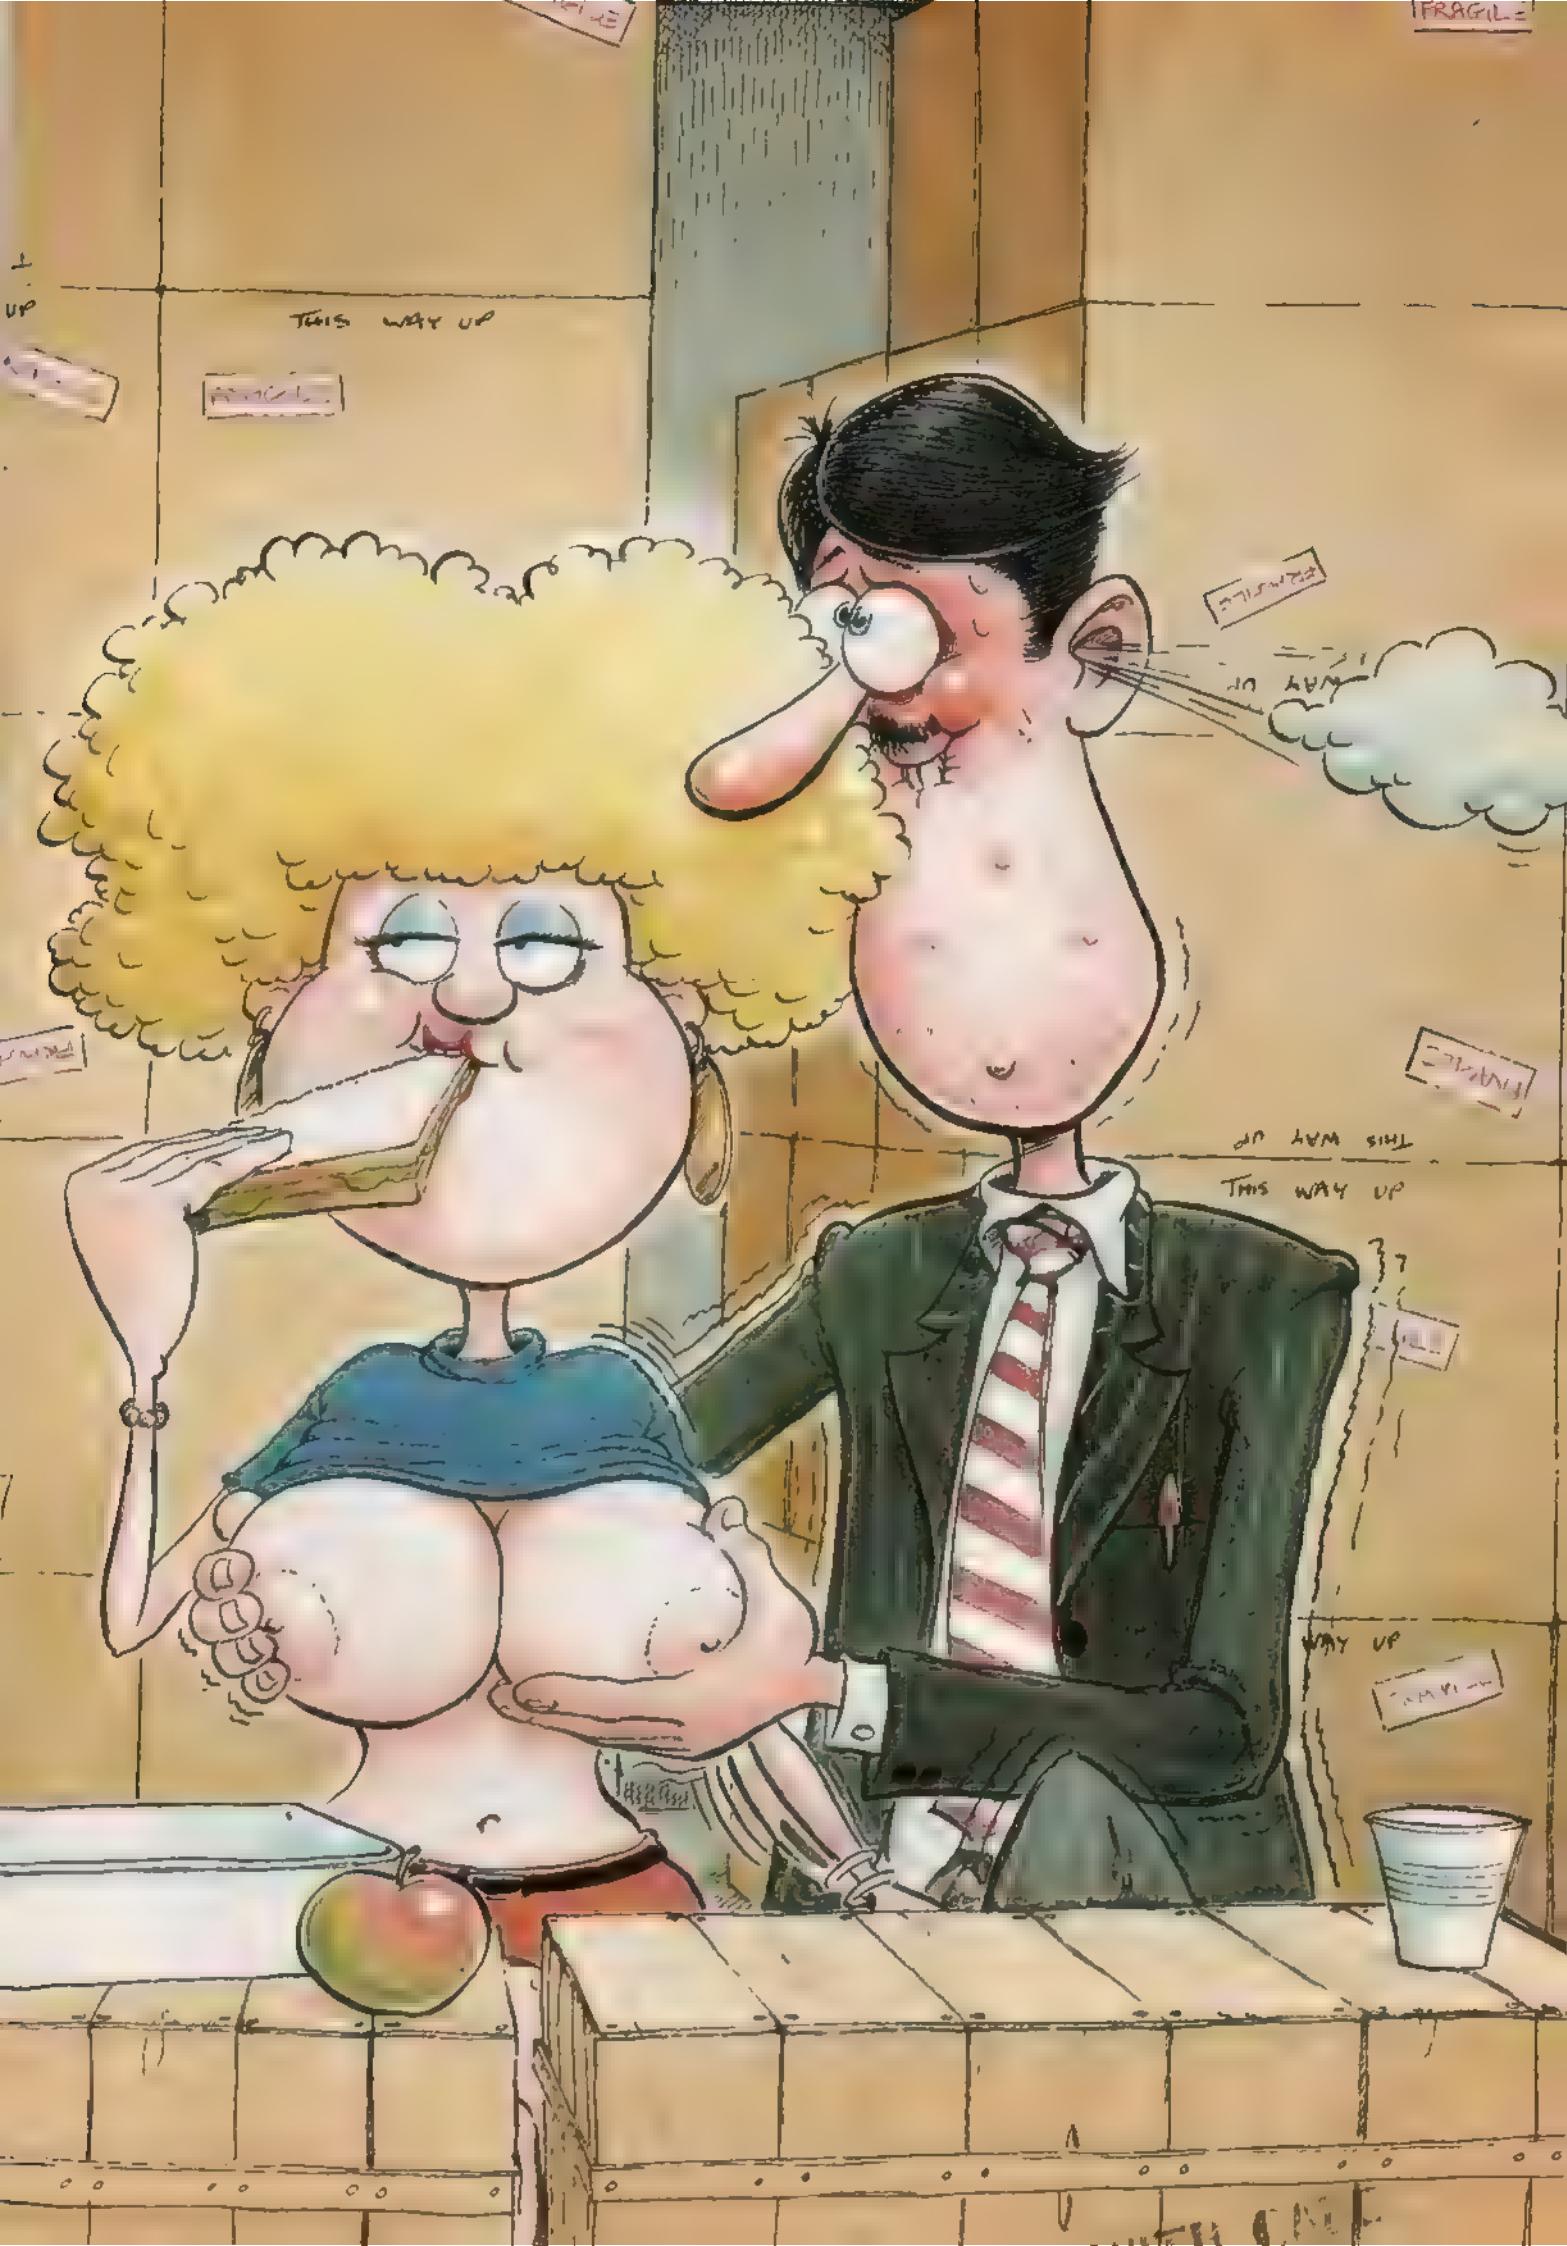

"I'm all for a bit of bribery and corruption," I said. "You bribe me, and I'll corrupt you. How does that sound?"

"Very fair. Shall I take my clothes off?"

"By all means. Pointer number two is 'don't rush'."

"Number two? What happened to number one?"

"You'll get that in due course," I promised, my grin fading when she

hoisted her skirt to unclip her stockings. "Don't you dare! Jumper, skirt, bra, panties, in that order. The stockings and suspenders stay, and so do the shoes."

"Shoes?" she enquired, her tits jiggling as her head emerged from her jumper. "Do all men like girls to keep their shoes on?"

"Depends how tall they are," I informed her as she stepped out of her skirt and I imagined her bent over my desk. "Now the bra...Terrific. We'll make a stripper of you yet."

"You won't. Do you think I have nice breasts?"

"I'm too far away to tell for sure. I think I'd better come round there and make a closer examination."

I stood behind her and weighed them in my hands. Yes, she had very nice breasts. I particularly like the way her nipples went all rubbery between my fingers and thumbs.

"Ooh, that makes me shiver," she shivered. "What are you doing?"

What I was doing was changing my mind. Much as I'd have liked to watch her taking her knickers off, I could do a better job myself. But in order to do it, I had to turn her around and kiss her nipples.

"I don't see..." she shuddered as I nibbled them. "But what...?" she asked as I sucked them.

"Oh," she gulped as I licked underneath them and slowly sank to a kneeling position. I teased myself by closing my eyes as I lovingly slid her panties down her white suspenders and black stockings, but I was forced to look when she raised a gleaming knee and leaned on my shoulder while I disentangled them. I would never have forgiven myself if I hadn't checked out the view.

"Hey," I said in sudden concern.

**"Shoes?" she asked,
tits jiggling as she
pulled off her jumper.
"Do men like girls to
keep their shoes on?"**

"You're not a virgin, are you?" The question had been hovering at the back of my mind throughout the proceedings, and I was prompted to ask it by the sight of her pussy. Or the lack of it, I should say. It was in there somewhere, hiding in all that lovely golden hair – and the fact that it was almost invisible had absolutely nothing to do with whether she was a virgin or not. Some have protruding lips, some don't. Hers didn't, and I should have known better than to ask something so stupid.

"Forget I said that," I mumbled into her bush, fighting the temptation to slide my tongue lower because it might have been a bit traumatic for her. "Why?" she asked, trembling as I stroked everything in reach. "Aren't you interested?"

"We all like to think we're the first," I told her, straightening up to nibble a nipple or two. "But all that crap about bloodstained sheets went out with the ark. Women are so physically active nowadays that a lot of them don't have much left of their hymens even if they're technically virgins."

"Really? It must cause a few wedding night rows, mustn't it?"

"I'm sure it does – inasmuch as people still have wedding nights. Enough of this idle chatter, get hold of this..."

"That was sneaky – I didn't even realise you'd got it out."

"Not so hard," I groaned when she gripped my shaft as if she was trying to squeeze it to death and nearly pulled it out of its socket. "I've got better things to do with it."

I let her play with it for a while to get used to the idea, then I levered her fingers apart and manoeuvred her back towards the chair. When she was sitting comfortably, I knelt down and parted her legs. All the stroking and nipple-sucking was beginning to pay off, and her pussy lips were now slightly swollen and plainly visible. I licked around her stockingtops and the inside of her thighs, slowly working towards her bush, and she put her hands on my head. A little cunnilingus, and then...she snapped her legs together when my tongue prodded her clitoris.

"Oh my god, what are you doing?"

I explained what I was doing with as much patience as I could muster, and she responded by asking me what a clitoris was – and she wasn't kidding.

"Tell me," I asked. "Have you ever had an orgasm?" She wasn't sure, but she didn't think so. Oh well, back to basics. I put her own hand on her pussy, then I took her on a guided tour. "Labia majora, or outer lips. Labia minora, the inner ones. With me so far?"

"Mmm," she sighed, allowing me to bend her middle finger. A little wiggle, and it was firmly inserted. "Vaginal orifice."

"Even I know that," she giggled.

I slid her finger out and replaced it with my own middle one, curling it to press against her slippery front wall.

"Ooh, that's nice."

"So it should be. That's your G-spot. For obvious reasons, it gets more stimulation in some positions than others. I hope you're paying attention, by the way, because I'll be asking questions afterwards."

"I am, I am," she moaned, pulling a face as I withdrew my digit. "Right. Middle finger, please. No, don't put it back in, your clitoris is outside. Right at the top, hiding in the folds...there. Don't rub too hard, it's very sensitive."

"You're telling me," she jolted.

"Some women can achieve orgasm by internal friction alone, but there aren't as many of them as men

seem to think. Most can't make it without external stimulation, particularly of the clitoris. Clear, or do I have to draw you a picture?"

"Very clear," she panted, rubbing herself more rhythmically. "Do you mind if I...keep...going?"

"Be my guest." A little while later, her eyes snapped open and closed again as she hunched forward with a look of agony on her face, shuddering from head to toe. It was safe to assume that Stephanie now knew what an orgasm was.

"Wah," she gasped when she eventually uncurled herself. "I really owe you one for that."

"Funny you should say that," I growled, rising to my feet and pointing my erect cock at her face. "This is called fellatio – in common parlance, a blowjob. Open wide, please...Ouch!

I licked around her stockingtops and the inside of her thighs, slowly working my way towards her bush...

Pointer number whatever-it-is: watch your teeth!"

I was well on the way and beginning to shag her mouth when her hand slipped down to her pussy with its middle finger extended.

"Go on," I encouraged. "Give yourself another one."

It was too much for me, and I came in her mouth before she made it the second time. There was a slight delay while I educated her on the pros and cons of swallowing a mouthful, and she surprised both of us when it disappeared down her throat. Then she frigged herself to another ribcracker.

By the time the firm's Christmas party came around a week later, I'd taught her almost everything I knew.

"Taught her everything she knows," winked our loud-mouthed sales manager, jutting a thumb at Stephanie. And he wasn't talking about salesmanship.

"Bullshit," said the transport manager. "She knew sod-all about the facts of life when she came to me, but I soon put that right."

They frowned at each other and turned to the personnel manager, who smiled sheepishly. Then the three of them looked at me because she'd been in my department for the last fortnight. I smiled sheepishly too – I obviously wasn't the only one who'd written a glowing report on a certain management trainee and stopped just short of recommending her for the chairman's job.

We all stared at Stephanie, who was having what appeared to be a very intimate conversation with one of the directors.

"I think we've been had," I said glumly. ●

Neither had a chance to swap ends before they both came into her and as

they slipped apart I could see Cathy's engorged cunt with Richard's spunk dripping out

Cathy had still not come herself and knelt between them, taking a cock in turn in her mouth, licking and sucking them hard again

This time positions were reversed and before they both shot their load again, Cathy was having a massive orgasm

Cathy agreed to pose for some more photos which I have enclosed. We hope you can print them to remind us all of a fantastic holiday! I., Wilts

School Break

I have sent of my girlfriend Mary, in the hope that you will publish them. Mary will be 21 this year and I was

rather hoping that you would publish her photographs so all your readers could celebrate the happy event with a wank over her beautiful body. That would really excite her, since she has always been a bit of an exhibitionist

Ever since we both met in the sixth form at school we've both enjoyed risky sex. I've lost count of the amount of times we used to have sex after school and sometimes during our lunch breaks too

I remember one particular time when Mary had just turned 19. We'd just finished our A-levels and decided to celebrate in our favourite way. Mary used to wear a very tight skirt which highlighted her buttocks and skimpy panties

We went to a nearby meadow and lay down in the long grass. I proceeded to undo her tie and shirt. I took her breasts in my mouth and began sucking the nipples until they were hard. It was at that moment when I caught sight of an old man peering at us from behind a bush. I was about to stop what I was doing but Mary wanted me to go on. I took hold of the zipper on her skirt while she got on her hands and knees

I peeled off her tight navy skirt to reveal her knickers to the onlooker. By now I was getting rather turned-on. I slipped off her briefs and proceeded to lick her fanny. Still on her hands and knees I slipped my cock in and fucked her doggy fashion. Just as we were both coming, I'm sure I could see the strangers arm jerking up and down

Mary says he was probably too old to get it up. Personally, I'm not so sure! J., Middlesex

S. Is 42 years old with a

46DD bust. I'd like to tell you about the time that we tried our first threesome

S is a very horny lady who can't get enough cock, and puts everything into sex. Although big, she would be one of the horniest women I have ever had the pleasure to fuck and she would definitely outdo a lot of those skinny model types

The day in question started like any other day, waking up with me having a raging horn and S having a good grip on it. We sat down to some mutual masturbation when

there was a knock on the door. I knew it was my mate, J. with whom I had already arranged everything. I told S. I would get it and that I would get rid of them quickly as she was really horny. I told her to be uncovered when I came back in so that the first thing I saw was her pussy with her vibrator in it and her big tits bouncing around

I went to the door and had this conversation with an invisible person while my mate J. removed his clothes. I then said out loud that 'no I didn't want any and goodbye' and I then shut the door. By this time J. was naked with a stiff thick cock

We walked to the bedroom and I let him enter the room first. Well, the sight they both got stopped them in their tracks. S. with a vibrator in her pussy and J. with a big stiff cock. The smiles that came to their faces and the look of lust on them was unreal

J. walked over and kissed her deeply while caressing her breasts and she held his cock firmly.

When they broke their kiss, S. pulled J.'s cock to her mouth and sucked it, turning the vibrator off and letting J. rub her clitoris

They were so horny

readers' letters

continued from page 32

they were ravaging each other, and watching it gave me such a hard-on it hurt

I just stood there watching and taking photos

J. let out an almighty moan and held S.'s head firmly in his hands pumping his cum deep down her throat, which she took lovingly without missing a drop. When they broke she kissed him passionately

J. then worked his way down her body, sucking on her beautiful big tits for ages before working his way to her pussy and sucking and licking it for a good half an hour

S. was so horny she was writhing all over the bed, moaning and begging for J. to put his big fat cock up her pussy and fuck her hard. J. obliged, and they moaned and groaned in ecstasy

This was all too much for me, I just had to join in so I went over and stuck my cock in her mouth which she took eagerly and sucked on so hard that I thought my brains would come out

We have since had a few threesomes with J., and S. has even had J. when I wasn't there on her own

I can recommend to any male out there who hasn't had sex with a larger woman, do it. They give their all for longer than smaller women and they sure know how to do it and aren't afraid to try things So go and make it with bigger women. They're the best! S. Australia

Four-play

It was approaching Christmas and like every year I had no idea what to buy my husband, Andrew I pestered him for ages about what he wanted and he said he'd like to have me and another woman! I told him to arrange it

The next day we got a magazine and began scanning. There were about three possibilities and I wrote to them

It was about three o'clock on a Tuesday afternoon, and returning from shopping I began to play back the messages when it was there. The lady was called Nicki and she said she was very interested and left her number. The time until Andrew came home felt like an eternity, as I couldn't wait to tell him

When Andrew arrived home I played him the

message. That evening Nicki phoned and sounded such a nice girl and so like-minded, and her and her husband invited us to stay for the weekend

The weekend arrived and we went to stay at their house. Andrew and Dave started chatting as though they had known each other for years. For the first time in my life I was looking at a woman in a sexual way and enjoying it. I found myself flirting with her and her with me

Dave put on a blue movie, and we all watched commenting and enjoying ourselves. The more I watched the more horny I became. **It was around midnight when Nicki and me sloped off to the bedroom, leaving the men behind.**

We laid on the bed, chatting and giggling like school girls in a dormitory. The conversation subsided

nipples, which by now were erect and hard. I just had to get in between her legs. My fingers slipping deep into her juicy, wet pussy, I found she was a wet, warm and very responsive. I needed to taste her love juices. **I went down on her and she was sweet. I teased, licked and probed with my tongue.** I could feel my own excitement running down my thighs. Repositioning my body in such a way that I could straddle her face, I could feel her hands spreading my legs and opening the lips of my cunt. Gently, I felt her tongue searching out my clit. She quickly became more frantic as her fingers penetrated me. My whole body shuddered with orgasmic anticipation. This made me more determined to make Nicki come. I licked deeper, her legs now wide apart. I inserted as many fingers as I could, I wanted her to take them all. Her hips began pushing down on my hand encouraging me more, pulling my hair and

and we leaned towards each other, kissing gently at first, becoming more passionate. She clung on to me pulling me closer. I knew she wanted me to take the initiative, so I laid on top of her, my mouth moving slowly downwards. Reaching her breasts I began licking, nibbling and sucking, the tip of my tongue circling her

crying out my name, she orgasmed

Sensing that I had not yet come, she continued licking and nibbling, her face against my now drenched cunt. Her face must have been covered. I felt my orgasm build up inside – I could stand it no more. Gripping the sheets, sinking my head between her thighs, I came

RE-P

"My wife P, appeared in Escort two years ago and we've never got over the experience!" writes her hubs from Staffs. "We like imagining the readers looking at my wife and what they'd like to do with her."

RS

OH NATUREL

John from Bournemouth says, "My girlfriend Jane's fantasy is to have two or three men doing what comes naturel." ...playing footer and drinking beer?

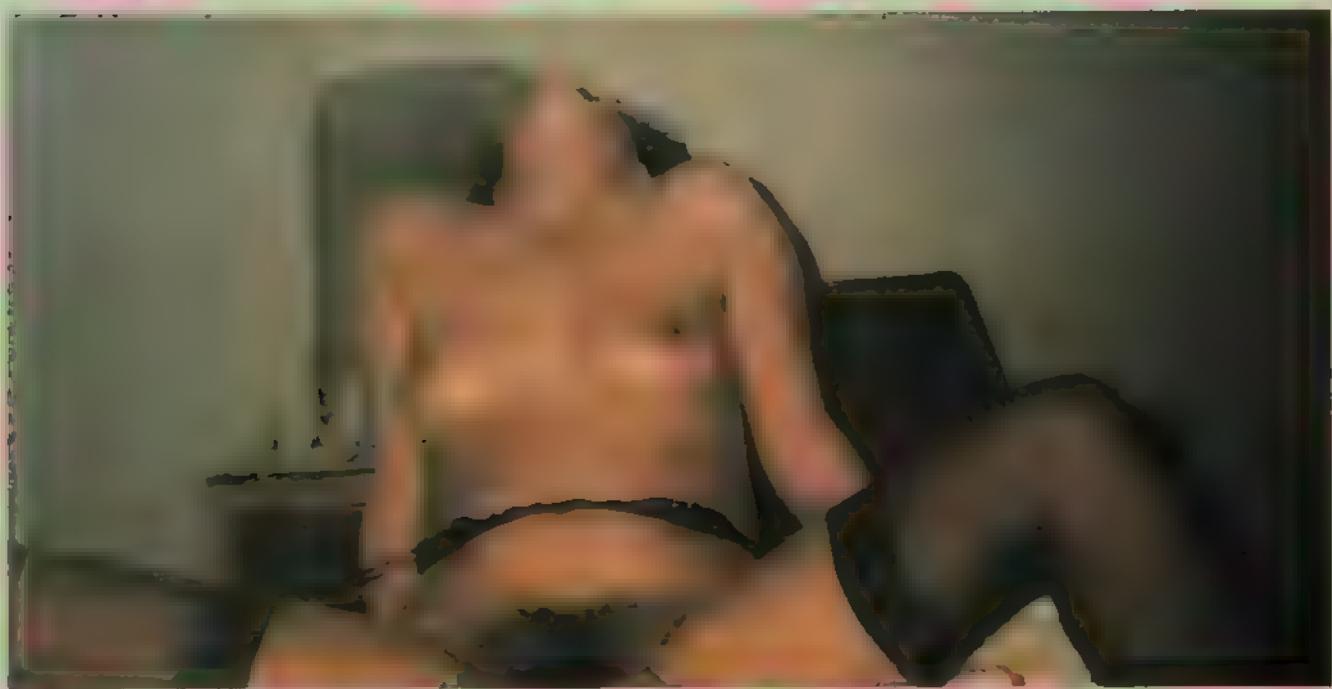

BIG FUN

M. S. from Cardiff sent the snaps of his 31-year-old, 35-24-35 wife Diane, and says his wife's fave fantasy is: "Having fun with three or four big men." Have four Diane, go on.

EVEN

Mr P. from Brum writes: "My wife Ret'ina gets jealous when I come over the *Show Us Yours* girls, so she thought she'd even the score and let the readers come over her..." Ret'ina is 22, and 36-25-26.

SHORT OF PANTS

Catherine's ambition is "To walk in the street with a short skirt, but without panties." We'll keep our eyes open for the day she gets brave enough. Meanwhile she's 30, and 36-24-35.

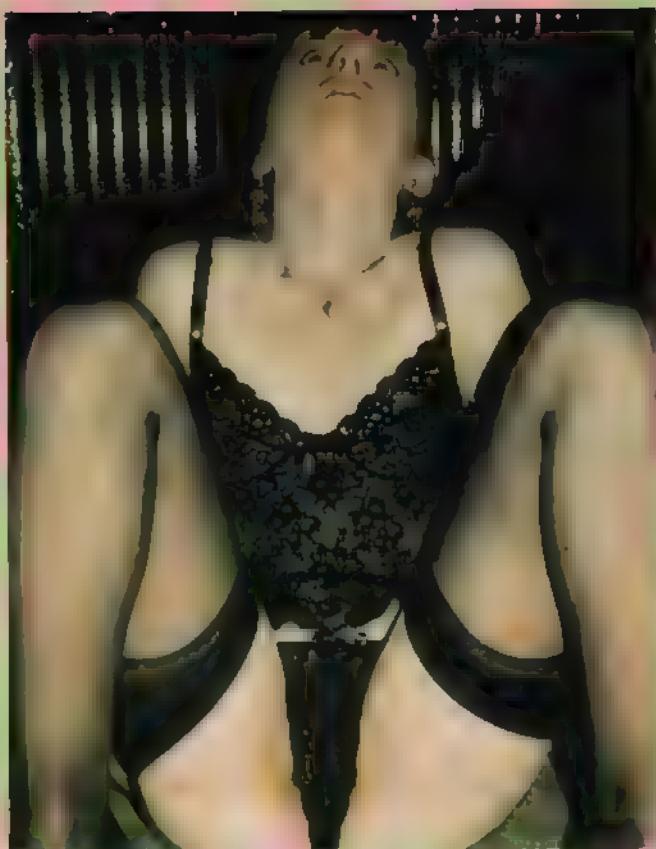

DOG-WATCHERS

"My girlfriend Shelley likes doing it doggy-style while watching a porno movie," writes D. from Leeds who likes it too. Shelley is 22, and 36-24-36

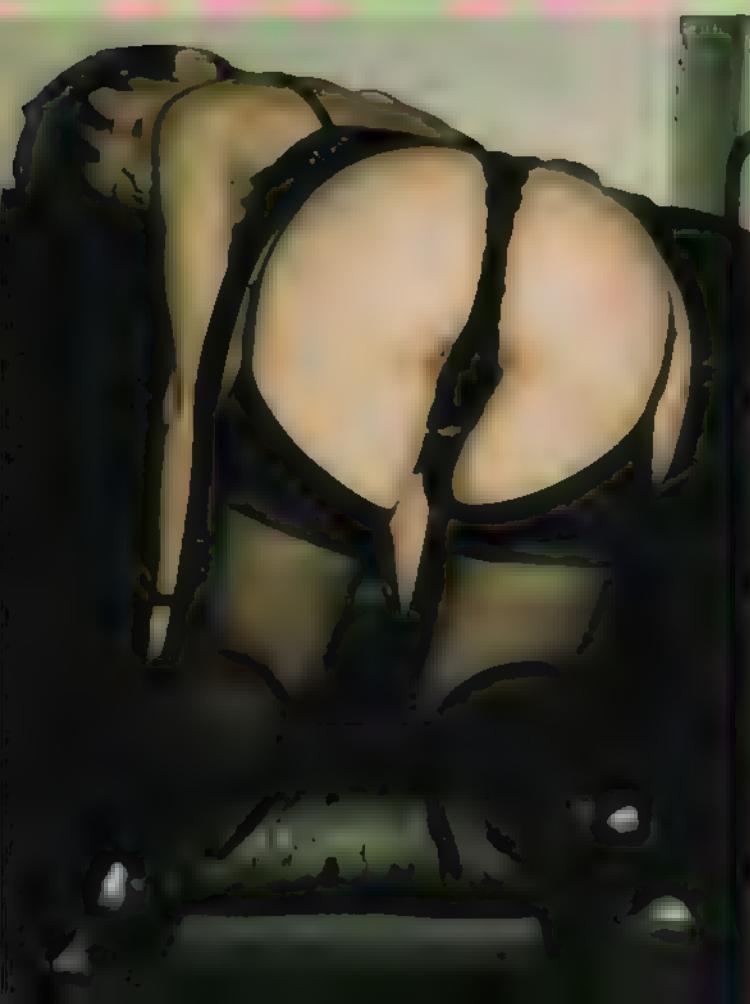

HOME RUN

26-year-old, 32-22-34 Karen and her husband say, "We made love in the back seat of a taxi coming home from the local disco. The driver took the long way round – we think he enjoyed himself almost as much as we did!"

TIGHT SPOT Sue from Cheshire is 36, 36-24-36, and "Is longing to hear any comments other randy readers have about her." Comments from the randy staff are that she's enough to make them give up stockings and take up tights...almost.

SISTERS

"Just the thought of all those guys out there seeing her in the mag has made my girlfriend Lisa wet between the legs," writes Gary from Dorset. "She's 23 and 34-24-34, and our greatest fantasy is for me to fuck her and her sister together while recording it on video so we can watch it later."

SANDBLASTED R. from Leeds writes: "This is my wife Sharon. She's 23, and 34-24-36. Our best experience was when we screwed in the sandhills with people walking close by, and I had to cover her mouth with my hand so they didn't hear her moans and groans."

SPURT — the magazine for randy men and raunchy women!

It's five fantastic years since *Spurt* exploded onto the scene:

- The first widely available magazine to show sexy women and horny men as they really are
- The first to feature our mega-popular Big Spurters: those magnificent males who aren't afraid to stand up and spray what matters.
- The first to bring you our super-sensational TIT-SPUNK CENTRE-SPREADS!

Our success speaks for itself — not just in sales that touch the millions, but in the thousands of letters we get every week from readers begging to pose for us.

And yet some killjoys have called Britain's most popular erotic monthly a 'porn mag' and its famous tit-spunk centrepreads 'obscene.'

What a load of rubbish!

Spurt is not pornographic, but it does believe in sexual honesty and truth, the freedom to share some of the most stimulating sensual moments men and women can enjoy together.

Listen to what our models have to say:

December's tit-spunk centrepread, 26-year-old Newport housewife Nancy: 'I would never have agreed to pose for anything pornographic. I see *Spurt* simply as a very saucy erotic magazine.'

'It does show men and women naked together, but they only look as

if they're making love. They don't actually do it, even though the magazine is brave enough to show sexy men with hard-ons!'

'I know some people think the tit-spunk centrepreads are over the top. I've even been told that it's degrading to let myself be photographed with a naked man ejaculating over my breasts.'

'I think that's nonsense!'

'For a start the tit-spunk pictures are a kind of institution just like topless pictures in the papers. Lots of top models do tit-spunk shots now, and no one thinks the worse of them.'

'I got a real thrill out of posing for *Spurt*, and so did my husband. If he doesn't mind me doing it, I don't know who else should!'

Writes reader Mrs J.L. of Nottingham: 'Men can see women baring their private parts and looking as if they're having incredible orgasms in dozens of magazines. I have nothing but praise for *Spurt* for letting women have a go. We should be able to see gorgeous men as they really are — with erections! and why on earth shouldn't we be allowed to see them spunking off, too?'

HOW I HELPED MY HUNKY HUBBY TIT-SPUNK BOSOMY BARBARA!

'He was so shy,' recalls 29-year-old Liverpool secretary Lesley, who thought her handsome, six foot husband Gordon would make an ideal Big Spurter. 'We had a lot of fun tak-

ing his pictures at home, but when we got to the studio he was shaking like a leaf! He just didn't want to take his pants off in front of everyone — especially the model he was supposed to tit-spunk.'

'I think what troubled Gordon most was that he's 38, though he doesn't look it, and Barbara, the model, was only 19. She was very pretty, with an absolutely fabulous body — very shapely with these enormous, firm breasts.'

'She was wandering about without a stitch on virtually from the moment we arrived. Not just in front of the photographer and his assistant, but fellows wandering in from the editorial offices, too. To be honest, I think it turned her on!'

'When he saw her, poor Gordon just went scarlet! He was so sweet. I had to keep saying, "It's alright, love. She's supposed to get you excited. That's what we're here for."

'She was very nice, though, very sympathetic. She had her husband with her, and he assured Gordon it was OK — he had no problem about Gordon touching his wife's body, or getting turned on by her, or even coming over her breasts.'

'Apparently she'd already done two tit-spunk shoots and really enjoyed it. The last fellow had been very shy, too, and found it so difficult to ejaculate she'd rub him between her boobs for nearly ten minutes, with the photographer waiting, before he'd been able to spurt.'

'But I still had to take Gordon's pants down for him in front of her — just to show I hadn't been lying about his lovely penis! She helped by telling him he had the nicest-looking cock of anyone she'd posed with.'

'Even then he was all inhibited. I think it was being nude straight away that bothered him. We ended up with the girl rubbing her boobs and pussy against him while I knelt down and gave his tip a little lick. I think we gave him enough naughty memories to last a lifetime!'

'It worked, though. He got absolutely enormous — in fact, bigger than I've seen him in ages. But I felt tremendously proud of him. The model obviously couldn't take her eyes off him — even the make-up girl, I noticed, had her nipples standing up under her tee-shirt!'

'And when it came to the boob-spunk shot he did an incredible amount. It just seemed to keep on pumping out of him for ever. It made me feel very horny and wildly jealous, but I made him pay as soon as we got home!'

Twenty-six-one-year-old Nancy L. from Newport first dreamed up her dirtiest magazine in the world — a kind of *Escort* with stiff willies! In our May issue where she imagined 'doing a tit-spunk photo session which quick-

ly turns into a glorious fuck.'

Such a randy idea couldn't go to waste so she enlisted her 'rude friend Lesley' to make it even spicier.

'I think we're both frustrated exhibitionists,' admits Nancy. 'When we asked Lesley's boyfriend to tidy the fantasy up for us and make it grammatical he was obviously quite shocked. In fact, he got a hard-on and was too embarrassed to get up from the kitchen table where we were reading it!'

Twenty-eight-year-old Marie, writing from Bournemouth, enjoys an audience in her fantasies, too, but one partner is only the start!

'My most exciting fantasy is where I'm a waitress at a rugby club stag night. I know what they're like because a boyfriend used to run the bar at a club, and I helped him out once. All I can say is I was glad the bar hatch was between them and me!'

'In my fantasy, though, I imagine the fellows are sitting at tables, and the lights are down because they're going to watch various strippers. That and all the booze they're downing makes them randy enough, but my girlfriend and I have to serve them in these sexy French maid outfits which are asking for trouble!'

'On top we wear dark, short-sleeve blouses with frilly sleeves and very low cut fronts. They just cover tiny, half-cut bras which make our boobs bulge out and give us enormous cleavages. Around our waists we have tiny white aprons over short, dark skirts which barely cover our bottoms. Underneath that are dark nylon stockings held up by suspenders, which pop into view virtually whenever we move, and especially when we have to bend over to serve people.'

'With only a skimpy pair of knickers between the stocking-tops and my pussy I feel almost as undressed as the strippers on stage — only they don't have to squeeze between the tables!'

'From the start of the evening my girlfriend and I are getting thoroughly ogled and there's plenty of cheeky backchat. The first round isn't over before the bottom patting starts, and the sly fingers sliding up the backs of our legs.'

"Talk about loving hands!" I say to my girlfriend in the bar. "They act as if they've never seen a woman before."

'My girlfriend just laughs. "Wonderful, isn't it? I haven't had this much attention since I first met my old man!"

'I have to laugh, too, and then the strippers start their act. We still go on serving, but I assume the fellows'll be too busy watching the girls to notice us. Wrong!'

I'm quite curious about the strippers, but I hardly expect to find them a turn-on. Wrong again!

'For a start all three are very attractive girls and they all have lovely fig-

ures. At first I assume they'll stop stripping when they get to their G-strings. Not a bit of it!

The first girl, a glamorous blonde with enormous, beautifully firm boobs, hardly lets anyone get a glimpse of her little gold lamé triangle. As soon as we've seen it, it's off, and she's prancing about the stage, gloriously nude in just a pair of white stockings, flashing this great froth of light blonde pussy hair.

'Meanwhile the fellows are going wild. In spite of myself, my heart starts to thump. I can't imagine how much further she can go. Then I find out.'

'Suddenly she drops down on to her back, facing the audience. Then she bends her knees, opens them wide and lifts her bottom off the stage. Instantly everyone has this view of this girl's completely exposed crotch. Even from the back of the room I can see the pink lips of her pussy poking through the fuzz. And then she reaches down and starts to rub herself in time to the pounding music.'

'I go icy cold all over. I can't believe she's really doing that in front of everyone. By the looks on the fellows' faces they can't, either. The effect on the audience is electric. There are little gasps all around me. Someone whispers, "Is she really having a wank —?"'

'One of the gasps seems to belong to a woman. I glance across the room and see my girlfriend standing by a table, gazing absolutely entranced at the girl on stage. At first I think she's as shocked by the stripper as I am. Then I notice a movement beside her.'

'Very discreetly, without even looking at her, a guy in his thirties has slipped his hand up her skirt. I can see it moving backwards and forwards across the front of her crotch.'

'The dirty sod is touching her up! And the randy cow is loving it!'

'Now things really start to get out of hand. On stage the blonde girl lifts her head and nods to someone in the front of the audience. A young guy gets up hesitantly, obviously being pushed by his pals. Giving him the sexiest look, the stripper beckons him up. She gets him to kneel down beside her. Then she takes his hand, pulls it down onto one of her boobs and presses his palm against her full, firm flesh, making him move it in slow, sensuous circles.'

'Then she grasps his other hand and pulls it down between her legs. I see her take two of his fingers and draw them slowly up and down her slit, right from her bottom to her clit.'

'Finally she lies back again, pushing her pussy up against the young fellow's hand, and leaving him to get on with it.'

'My heart races — there are little icy ripples of pleasure in my pussy. The utter shamelessness — the sheer randy cheek of the stripper — cuts

through me like a knife. She's actually getting this stranger to masturbate her in public!'

'My girlfriend gasps again. I look across. Now her eyes are closed. She's leaning against the table. Her admirer has turned towards her. His face is under her skirt. I catch a glimpse of her bare thigh as his hand slides down her pants. Then his head begins to bob backwards and forwards against her crotch. My mouth drops open. She's letting the guy lick her pussy!'

'There's a grunt much closer. I'm standing in a little gap between two tables. I glance down. A fellow in white chinos, sitting just to my right, is watching the stage with half-closed eyes, his hand in his lap. Even in the dim light, I can see he's gently rubbing at his bulge — a thick ridge sticking right across his thigh.'

'It's all I can do to stifle a sob. Suddenly I want sex so badly it's a physical ache. I want my body stroked and fingered and explored like the girl's on stage. I want lips and hands and fingers all over me — I want to be penetrated and pumped and filled by hard male muscle!'

'And that's when a hand starts to slide up the back of my leg. I shudder, but this time I don't squirm away. I don't even turn to see who it is. I just take a deep breath and quietly push up my bottom.'

'The hand moves higher, over my stocking top, onto the inside of my thigh. It reaches the curve of my cheek, where my knickers just scoop my pussy mound.'

'There it seems to hesitate, as if its owner is amazed he's got so far. Without a word, I move my legs further apart, lean against the table in front of me and gently arch my back, thrusting up my cheeks. The little rush of breath behind me shows my anonymous admirer's got the message!'

The men sitting either side of me get it, too. The fellow in the chinos is suddenly staring at me, wide-eyed, then his gaze drops to my cleavage. Bending over this far, my boobs are practically bursting out of my top – it feels like only my stiff nipples are holding them inside my bra cups.

'That's when my admirer's finger slips inside the gusset of my knickers, right between the moist lips of my pussy. I gasp, and feel cool air on my front. I look down. One boob has popped out of its cup.'

'I take deep, sucking breaths as the man behind begins to fondle me, sliding his fingertip up the wet slit of my vagina, parting and stroking my pussy petals, probing gently between them like a tiny, stiff cock. But my gaze is fixed on the man in the chinos.'

'My eyes drop invitingly to my bared boob, lifting it slightly towards him. He blinks as if he can't believe what he's seeing, then he leans closer, his hand rising to cup my exposed breast. I grunt softly, and drop my eyes again to the clip at the front.'

'This time there's no hesitation. His fingers tremble as he unbuttons my blouse, but my bra clip snaps open at the first touch. He gasps as both my boobs spill forward, heavy and full, nipples throbbing erect.'

'Then I gasp as his head dips forward, licking and sucking, tweaking a stubby nipple between his teeth. And I gasp again as the man on my left suddenly scoops my other boob, bends his head and closes his lips over the nipple.'

'Suddenly my senses are swimming – my whole body tingles and sparks with the most incredible feelings as both breasts wallow in warm mouths and a finger frigs me steadily from behind.'

'And abruptly the finger is gone. I start a groan of disappointment, which cuts off instantly as I feel hands pluck at the waistband of my knickers, drawing the tight-stretched cotton back and down over the curve of my bottom.'

"Yes –" I breathe. I want to be bare, I want my pussy completely exposed to everyone's view like the girl on stage.'

'As the knickers sink down my legs, I kick them quickly away. Fingers clutch at my thighs. I feel hot breath against my naked mound, and then – warm and wet, soft and wriggling – a tongue slides between my cunt lips.'

'The sensation is so sudden, so

deliciously, disgustingly intimate, my heart booms. For a second I think I'll come where I stand. But I control myself, and wallow, moaning softly as this stranger's tongue explores my pussy slit, his nose pushing between my cheeks, his hot breath raking my wet flaps. Colours burst in my head and my whole body jerks as his tongue tip laps my clitoris.'

'I know I'm flying now – I can come whenever I want, letting my climax tear through me as three men pleasure me simultaneously.'

'But it's the girl on stage who makes me try for even more. She gives a gasp which rises above the music. Suddenly she's sitting up, twisting round, her face flushed and urgent. She grabs at the guy stroking her, tearing at the buckle of his jeans, yanking down his zip.'

'Almost at once the hot, fat stalk of his hard-on is in her hand. Her head ducks and she is sucking him, her full, red lips pumping greedily up and down his shaft. He gasp and bucks, face contorting as he goes to spunk his load.'

'Then at the last minute the blonde jerks back and his cock pops out her mouth. The poor guy gapes at her in shock. But she pulls him down her body, leading him by his hard-on!'

'Her long legs scissor him – he sprawls between her thighs. Her big, red-lipped mouth opens in a gasp I feel right in my own pussy. Her legs nse in a great vee – and suddenly the fellow's neat round cheeks are bouncing furiously between them.'

'The sight almost brings me off – and not just me, by the fierce hisses of breath all round me! I can't believe I'm seeing it – getting fondled in public is one thing, but to actually have a fuck – !'

'Suddenly it's what I want – what I've got to have. I reach down into Mr Chinos' lap – and he almost hits the ceiling!'

"Take it out –" I hiss. "I want to touch it –"

'His eyes swim in his head – but only for a second. Immediately he's pushing back his chair, twisting towards me, ripping open his chinos. As he jerks his shorts down, his cock springs up, stiff and fat, obscenely big, its round bulb glistening in the dim light.'

'Without a thought, I drop to my knees and push my head into his lap. He jerks as my fingers curl round him, feeling his hardness, drinking in his sweaty, spermy heat as I rub his stiff shaft against my cheek and lips.'

"Oh fuck," I moan, squeezing, pumping his loose foreskin. "I want it in me – I want a fuck."

'By his touch I know it's the man behind me. Suddenly his thighs are pushing against mine. His hands yank my skirt off my bottom and his thighs touch me – bare, hairy flesh, with the hot, thick rod of a hard-on slotting up

the crack between my cheeks.'

"Oh yes –" I whisper, jerking back my hips. "Put it in me – put it in –"

'His hand fumbles behind me – his bulb slides down my crack, onto my pussy, between my lips – and I let out a great rush of breath as he plunges straight into my hot, wet, eager hole.'

'Suddenly his fingers are digging into my hips. I've hardly got used to his gorgeous, plugging pressure inside me before he's drawing back, and jerking forwards again, snapping into a fierce, desperate pumping rhythm that drives the breath out of me.'

'From the stage I hear a panting wall. I know the blonde is coming – and I know my own climax is unstoppable now. I can't help myself – my womb is twitching and jumping, my clit is on fire.'

'As I start to pant, I push my head down on Mr Chinos' stiff bulb, sucking it into the back of my mouth. And the guy behind me groans, "Shit – !" pushes deeper than I've ever felt anyone and lets fly.'

'That does it for me: my first spasm explodes through me, and another, another – each in time to the pulsing, sperm-cock inside me. I've never felt them so intensely – there's a kaleidoscope in my head, my whole body is singing. And then Mr Chino's great cock erupts too – splashing thickly into the back of my throat.'

'And, of course, next year I'm booked as the girl on stage! ●

MISBEHAVING

She's rich, beautiful and a raging nympho and it's watching her being shafted by three studs together that finally drives her husband out. After this, she takes any man she can, at anytime. The real climax comes when she realises just how 'big' her black manservant really is.

SUZIE SUPERSTAR

She is a sex superstar. She screws regularly with her Manager, picks up younger studs in the clubs, two or three at a time, but what she likes best is picking up young girls and getting right inside their soft yielding bodies.

**Lee, 40-29-39, 23,
Romford.** After Lee's
last appearance, lots of
letters and offers, few
honourable, arrived for
this spontaneous
stripper: "I'm a bit of a
rascal, if I do say so
myself."

IDEIE

THE

readers' letters

continued from page 36

Covered in perspiration, we continued caressing each other, not wanting it to end. **The door opened and the men sidled in. They stood silently watching us. We began to perform for them.** I could see Andrew removing his trousers, his cock erect. Not wanting to interrupt us he furtively caressed our bodies. Dave, now involved himself and taking my head away from Nicki's lips he urgently placed his cock in my mouth. Taking him deeper into my mouth I felt his explosion erupt in my throat. By this time, Andrew was fucking Nicki. I joined them, kissing and caressing them both. With the taste of Dave still in my mouth, Nicki licked and savoured my lips until the taste was gone. I felt her whole body tremble as Andrew came inside her.

Unbeknown to us, Dave was taking photograph after photograph.

The time went so quick, before we knew it it was time to say our goodbyes and leave for home.

As Andrew cruised home on the M4, we both felt very horny and I couldn't wait. I unzipped his trousers producing a rock hard penis. I sucked

him and he climaxed.

Stopping to refresh ourselves at some services, I went to the ladies and removed my moist, sticky knickers. I needed to come urgently.

Recommencing our journey home, I reclined my seat, lifting one heel on the dashboard, my skirt riding up, I fingered myself for miles, eventually coming then dozing.

I awoke to Andrew paying the toll at the Severn Bridge. My skirt was still up around my waist, but I did not have a care in the world! J., South Wales.

Wet Rose

My name is Rose and I live with my horny stud. I want to tell you about the time he took me in the bath. Now, I know that doesn't sound very exciting but not all that froth was due to bubble bath.

I was just getting ready to go on my girls' night out when I was sure there was someone looking through the gap in the bathroom door. **I started to tease whoever it was by washing my fanny and huge tits with the sponge.** I was rubbing at my twat with the sponge

and getting very excited. My nipples were sticking out like wine corks and I started to suck one. Then, to my amazement, in came, not only my husband Lee, but also his mate Winston.

They both had huge erections so I knew my plan had worked.

I started sucking Lee off while Winston wanked himself. **Then Lee suggested I get on my knees and Winston climbed in behind me.** Rubbing his shaft up and down my arse crease, he rammed me right up my pussy and I nearly bit Lee's helmet off in surprise!

Winston fucked me like a stallion and I came at least three times. On my final orgasm, Lee exploded into my mouth and I swallowed his come. It was a good job that I was in the bath because the amount of come that Winston produced would have flooded the bed. It was lovely!

I then had a bath and went on my rounds with the girls, only to come home to the two of them waiting for more. **They ripped my stockings off and asked me to pose for a photo on the arm of the chair before they couldn't wait any longer and dragged me up to bed.**

Lee took a photo of my arse when I was finally alone with him. Rose, Sunderland. ●
